REPORT OF PUBLIC HEALTH NURSE

Maine Department of Health and Welfare

Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services

in St. Albans in the year 1968

As a member of the health team, the public health nurse is concerned with the prevention of disease, care of the sick, restoration of the disabled and maintenance and promotion of health in well individuals. It is necessary to continually evaluate and assess the health needs and programs of a community.

Three child health conferences were held at the St. Albans Fire Hall. Louis Di Pompo, D.O. was the attending physician. The doctor gave medical examinations to forty-eight preschool age children who attended with their parents. Parents were offered health counseling by the nurse and/or physician.

The public health nurse planned with school personnel and community volunteers for some of the school health activities.

Your nurse organized a tuberculin skin testing program which was offered to all school personnel and children in grades 1 and 7. Fifty participants had negative tuberculin skin tests. One participant showed a reaction to the tuberculin skin test. In cooperation with the family physician the necessary medical followup was obtained.

All school health records were reviewed to determine which children needed immunizations. A school immuni-

tion clinic was organized. Alta Ashley, M.D., District Health Officer, was the attending physician.

The following table presents by type of immunization the number of preschool and school children who completed these immunizations.

Type of Immunization	Number of Completed Immunizations	
	Preschool Children	School Children
Diphtheria	23	76
Tetanus	23	76
Pertussis (whooping cough)	23	
Polio	28	1
Measles	6	
Smallpox	5	

Nurse/teacher conferences were held to share information regarding the health of individual pupils. Home visits were made when indicated.

I wish to thank everyone who has helped to promote better health in your community.

Respectfully submitted,

KEITHA J. PRESTON, R.N.

Public Health Nurse

AUDITOR'S REPORT

January 20, 1969

Board of Selectmen

St. Albans, Maine

Gentlemen:

In accordance with Title 30, Section 5253, M.R.S.A. 1964, and at your request, the records of the Town of St. Albans have been audited for the period January 1, 1968 to December 31, 1968 inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and schedules incorporated in this report present the financial position of the Town at December 31, 1968, and the results of its operations for the year then ended.

All of which is respectfully submitted.

Very truly yours,

R. A. JAMIESON

JOHN T. SINGER

TOWN OF ST. ALBANS

January 1, 1968 to December 31, 1968

An audit has been completed of the books and records of the Town of St. Albans for the year ended December 31, 1968.

The records maintained by the Town Manager, Tax Collector, Assessors and Town Clerk were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly presents the financial position of the Town at December 31, 1968 and the result of its operations for the year then ended.

ASSETS

All cash received was deposited to the credit of the savings account with transfers being made to the checking account as warrants were drawn. The savings account earned interest of \$77.00 during the year. Deposits were made promptly and in accordance with statutory requirements.

At the year end the cash balance was \$210.91 and was reconciled as follows:

Balance per Bank Statement 12-31-68	
The First National Bank of Pittsfield	\$ 3,261.15
Deposit in Transit	25,512.05
	<hr/>
Total	28,773.20

Less — Outstanding Checks	29,390.19
Checking Account	(616.99)
Savings Account — Book No. 1972	827.90
Cash Balance 12-31-68	\$ 210.91

The 1968 assessment charged to the Tax Collector was accounted for as follows:

Cash Collections	79.1%	\$62,444.07
Abatements	.1	115.68
Taxes Receivable	20.8	16,430.49
Total	100.0%	\$78,990.24

The Tax Collector had secured unpaid 1967 taxes assessed against real estate by tax liens. The Tax Collector also collected \$11,489.90 on prior years taxes covering the year 1961 through 1967 inclusive.

Unpaid 1967 tax liens amounted to \$3,793.92 and were all recorded.

LIABILITIES

During the year tax anticipation notes of \$28,054.36 were issued and paid. The note of \$4,869.37 for Town Road Improvement was paid. There were no notes outstanding at the year end.

Accounts payable totaled \$1,820.28 at the year end.

RESERVES AND SURPLUS

The Capital Equipment Account earned \$65.64 and totaled \$2,142.43 at the year end.

Unexpended balances and overdrafts in certain appropriation accounts were carried forward instead of being lapsed to surplus, because of the continuing nature of the

accounts. The total of these accounts carried forward was a net of \$767.60.

The unappropriated surplus was decreased by \$6,717.-23 as a result of this year's operations and totaled \$16,-981.15 at the year end. The principal factor contributing to this decrease was the appropriations made from surplus at the last town meeting. The changes in the account are detailed on Exhibit E.

TRUST FUNDS

The investments of the trust funds were verified by physical inspection of the securities. All examined were in accordance with statutory requirements. New funds totaling \$1,130.00 were accepted at the last town meeting and new funds totaling \$800.00 are now being held pending acceptance at the annual town meeting in 1969.

GENERAL

Excise tax receipts totaled \$10,847.48 and were verified by examination of the copies of the receipts retained by the Tax Collector. The town appropriated \$9,132.00 from excise tax receipts.

The overlay of \$2,705.79 was within the statutory limit and was transferred to unappropriated surplus.

The following bond was on file in the Town Office:

Peerless Insurance Company No. S-34-48-65 — James H. Beer, Town Manager, Tax Collector and Treasurer, \$10,000.00

The records of the Town Manager and Tax Collector were maintained in excellent order.
